

UNITED STATES INTELLIGENCE BOARD  
SECURITY COMMITTEE

SECOM-D-128  
26 November 1975

MEMORANDUM FOR: Chairman, United States Intelligence Board

SUBJECT : USIB Policy Paper on Information Release  
to Contractors

REFERENCE : USIB-D-71.8/2, 2 April 1970, Same Subject

1. Attached is an amended version of the referenced "USIB Policy Paper on Information Release to Contractors," as prepared by the Security Committee.

2. The opinion of the Security Committee, with the Navy member dissenting, is that this policy statement is a useful adjunct to DCID 1/7, "Control of Dissemination of Foreign Intelligence," in that it specifies how information is to be handled by contractors. The DCID provides only for the dissemination of foreign intelligence.

3. The Navy member recommends cancellation of this policy statement for the following reasons:

a. The principal policies set forth in this policy statement are stated in DCID 1/7.

b. The restrictions established in the policy statement which are not included in the DCID are generally covered in carve-out contracts in the industrial security program.

c. The particular restrictions set forth in the policy statement regarding reproduction and release records are over and above those necessary for the protection of foreign intelligence.

4. It is recommended that this policy statement be reissued by USIB as an unclassified document.
